

The following is a list of local building contractors and sub- contractors who might be of some help to Gold Mountaineers who are thinking about building in the development. It might also be useful for current residents who wish to avail themselves of their services.

This list is for informational purposes only. We make **no recommendations** and assume no liability for work performed by, or claims made by any of these contractors or subs.

Unless otherwise noted, all contractors and subs are licensed but it will be the responsibility of the individuals procuring their services to do their own due diligence in this regard. The same applies to the appropriate insurance for the work being performed.
